Use-Value and Politics, in the Profound Sense of Infinite Living Culture which then is Bound to the Mathematics of a Leader and his Highest Expression of Infinity as a Comment on Scale, Mathematics and Leadership expressing the Highest Life in Plato’s Republic (1872)

By Karl Marx

Table of Contents

I. Highest Life in Plato
II. Pure Insurrectional Strikes and Peasant Commune Power from Chinese History
III. History as Footage
IV. Types of Cinematic Footage
V. Images of a Figure of a Leader not just the figure of the Worker

I. Marx on Use-Value, Infinity and a Leader – on Plato

I meant only that use-value is a simple daily life anyway, but now I add politics to the simple life of use-value and then I add politics and its living expression of a living culture of even the Prophet.

II. Plato’s Republic Critiqued

Not a soothsayer and soothing style person alone, but his higher inspiration. Now study Gold Class as wedded to Bronze class, and living Silver earings and going higher as Gold Class wealth and finally higher than this is the Wild Blanquist aggression of the Russian aleatory experience.

III. I mean Radical Politics, not just some Simple Cuban politics

I mean be radical, perform insurrection, perform its Platonism.

Friedrich Engels

I. Politics and Political Power
II. Radical Insurrection and permanent revolution
III. Thrills of Politics
IV. Highest Life in Plato
V. Speeches from German Working Class Periods.
